Cold War: 1945-1989

1. **Rivalry** – U.S. vs. USSR (dispute over control over territories of defeated powers)

Atomic Bomb: last act of WWII; 1st act of Cold War – Stalin is VERY afraid Of Atomic Bomb – spying! Who gets to control the Atomic Bomb? U.S. starts spying (CIA); USSR starts spying (KGB)

2. **Major Expansion of U.S. overseas activities**

3. **Transformation of liberties at home** (in the U.S.) – McCarthyism; anti-Communist
Truman's top advisors: George C. Marshall & George Kennan: Created CONTAINMENT Policy

Issues in the Cold War-

Ideology: Communism vs. Democracy

Territory: Control of nations – spread Communism (USSR) or spread of Democracy (U.S.)

Morality: Communist and Fascist regimes are EVIL – don't allow Totalitarianism to even exist!

1. **Department of Defense** – U.S. has a unified military – SCARY! Army+Navy+CIA

2. **U.S. is a global power (SUPERPOWER)** – economic, cultural, and military influence

3. **Foreign Aid** – “Marshall Plan” in Europe

4. **American People** : protection of democracy at home is reliant on spread of democracy everywhere – Democracy is morally superior to Communism
